LET'S TALK / gary@skyviewdomes.us

Small start. Clear expectations.

01 / Choose your placement

Tell Gary which region, audience and dates fit your business. Newsletter placements depend on a confirmed issue date; we will agree timing before accepting payment.

02 / Approve your advertisement

Send a photo or logo you have permission to use, a link and the message you want visitors to see. Basic copy formatting and one revision are included. You approve the final advertisement before it runs.

03 / Launch and learn

We confirm the placement and run dates in writing. Payment is by direct invoice, with no automatic renewal. After the run, we share available placement-click data and available newsletter delivery/open/click data. Tracking may be incomplete; email opens are approximate.

The details

Prices are introductory USD rates for one business and one agreed region. Availability and final terms are confirmed in writing. Ads are labeled Sponsored or Advertisement. No category exclusivity is included. Unused placements canceled before launch are refundable; once launched, the agreed run is nonrefundable unless we cannot deliver it. A booking is confirmed only after we agree the placement and terms in writing.
